

Norwich Nursery School 2023-2024 Program Information

Program Information

Norwich Nursery School offers a Multi-Age class for three, four and five year-olds from 8:15-11:15 AM Monday-Thursday, or a Multi-Age and Extended-Day program that goes from 8:15am- 12:45 PM which includes lunchtime.

The primary goal of the Norwich Nursery School is to provide an environment where children have the security and stimuli to develop greater awareness of the world around them and a good feeling about themselves. The school setting offers neutral territory where children can learn to share, give, help, and have greater sensitivity to other children.

Preschool activities offer children firsthand experiences to explore and discover new relationships, new language, and new skills. Through play, problem solving, singing, listening and creating, children feel satisfaction in their achievements and joy in their new friendships.
